SEPTEMBER 21

MONDAY, 2026

The Club at Ruby Hill
3400 W Ruby Hill Diver
Pleasanton, CA 94566

Visit us at **hkbanc.org/golf2026**

DEAR HKANC MEMBERS & FRIENDS:

Thank you very much for joining us at the **HKANC Scholarship Foundation's 24th Annual Golf Tournament.**

Help Us Build A Better Future

Since the inception of the program, we have provided more than **$465,000** to many deserving students of the community colleges and universities located in Northern California for their outstanding community involvements and academic achievements with financial needs.

The generous contributions and continued support of our members and donors are vital - We are grateful for your generosity, your trust, and most importantly, your commitment to our cause.

Sincerely,
HKANC Scholarship Foundation &
Golf Committee 2026

MEET 2026 HKANC SCHOLARS

HKANC SCHOLARS 2026

JUSTIN KWAN

UNIVERSITY OF CALIFORNIA, BERKELEY

This past summer, my internship at The Segal Group introduced me to consulting, data analysis, and business strategy. As I continue studying Data Science and Economics, this scholarship eases the financial burden of my education and gives me greater freedom to develop skills and pursue experiences that prepare me for a meaningful career.

Over the past year, I have become more involved with HKANC by volunteering at the Annual Gala, attending networking events, and introducing other students to the organization. I appreciate HKBANC's continued investment in my growth and look forward to giving back through my time, energy, and involvement in this community.

HKANC SCHOLARS 2026

IAN LIN

STANFORD UNIVERSITY

Thanks to your generosity, I will be able to relieve some of the financial burden from my education. I am deeply appreciative of what you and your organization do.

Your scholarship has allowed me to focus more on the most important aspect of school: learning and broadening my horizons. To contribute more to our understanding of languages as a whole, I want to pursue research while at Stanford.

I also love teaching students, so I intend to find some tutoring jobs in my community to support local students, especially through language education.

All of these aspirations have been made possible by this amazing scholarship. I hope one day I will be able to find success in my career and help other students achieve their own goals, just as you have helped me.

HKANC SCHOLARS 2026

MILLY WONG

STANFORD UNIVERSITY

Thank you to the HKBANC donors for this scholarship. It means more to me than the tuition it covers.

I volunteered at last year's Gala and walked into a room full of people speaking Cantonese — people who had left Hong Kong and built something lasting here. I had been looking for that room the entire time I'd been in the U.S. To now be supported by that same community is something I won't forget.

I'm finishing my Electrical Engineering degree and a master's in Computer Science at Stanford, where I use silicon to build intelligence and intelligence to build better silicon. And as one of the very few Hong Kong women working in chips and circuits, I want the ones coming after me to see engineering as somewhere they belong.

多謝晒。

HKANC SCHOLARS 2026

BRANDON TANG

UNIVERSITY OF CALIFORNIA, BERKELEY / FOOTHILL COLLEGE

Thank you so much for selecting me for the 2026 scholarship. I am truly grateful for your support.

Being chosen for this award means a lot to me. As I start at UC Berkeley, this scholarship takes a big weight off my shoulders and pushes me to work hard and make the most of my time here.

I'm looking forward to meeting you at the golf tournament and awards dinner on September 21.

Thank you again for believing in me and helping me with my education.

HKANC SCHOLARS 2026

WING YAN WU

UNIVERSITY OF CALIFORNIA, BERKELEY

Thank you so much for awarding me this scholarship, I am honored to be selected as a 2026 HKANC Scholarship recipient.

This scholarship will help me continue pursuing my graduate studies and academic goals.

Having grown up in the Bay Area, receiving support from HKBANC is especially meaningful to me. I look forward to connecting with the Hong Kong diaspora community in Northern California.

Tournament Rules

TOURNAMENT FORMAT:
4 - GOLFER TEAM | BEST BALL

USGA Rules will govern play unless amended by local course rules or tournament modifications:

1. Competition will follow a 4-player Best Ball format. Teams may form their own foursome, or individuals will be assigned to a group.

2. Each player will play their own ball throughout the round. On each hole, the single lowest gross score among the four players will be recorded as the team score for that hole.

3. At the conclusion of the round, team scores from all 18 holes will be totaled. The team with the **lowest total score** will be declared the winner.

LOST BALLS: If a ball cannot be found, drop a new ball at the nearest point where the original ball is deemed lost and take a one-stroke penalty.

Maximum Allowable Scores (for pace of play):

- Par 3 - 5 strokes
- Par 4 - 7 strokes
- Par 5 - 8 strokes

Scorecards must be signed, attested, and submitted at the conclusion of the round.
