I am passionate about increasing the quality of life of my patients and giving back to my community.

Post-graduation, my goal is to serve the Asian population and provide accessible healthcare to this community that raised me. This scholarship would provide financial relief for my tuition, housing, materials, etc., allowing me to continue studying hard to pursue this degree. It would also provide more resources and allow me to attend more vision screening volunteer opportunities.

I want to thank you again for your generous donation to this scholarship fund, as it will allow me to focus on my studies and have a great impact on my academic journey.

## Tournament Rules

### TOURNAMENT FORMAT:

#### 4 – GOLFER TEAM | SCRAMBLE

Golf Scramble Rules USGA Rules will govern play unless amended by local course rules or Intramural Sports modifications.

1. Competition will be a 4-person scramble. Teams may form their own foursome, or those entering as an individual will be assigned to a group.
2. Please be at the course and ready to begin at least 30 minutes prior to the start time.
3. Each foursome will play 18 holes. All members of the group will hit from the tee. The captain will then select the best drive. From that point, all members of the group will hit a second shot. Again, the captain will select the shot providing the most advantageous lie. This procedure will continue until the ball is holed out. Only one score per hole per team is to be recorded. Scorecards must be signed, attested, and turned in at the conclusion of the round.

## Tournament Rules

### TOURNAMENT FORMAT:

#### 4 – GOLFER TEAM | SCRAMBLE

5. A player's lie may be improved by one club length (no closer to the hole) through the green with the exception of hazards. For example, if you elect to play a ball from a sand trap, the player whose ball you have chosen to play must play the ball as it lies and then the other team members will be allowed to place the ball (no closer to the hole). Once players have reached the green, the ball may not be placed to improve a player's lie (must be placed at spot where it lies).

6. Out-of-bounds are marked.

7. All putts must be holed out. No gimmies.

8. Each member of the team must use his/her tee shot once.

**LOST BALLS:** if a ball cannot be found, please drop at the nearest point where the ball is deemed to be lost and take a stroke penalty.

IMPORTANT: For speed of play purposes, the maximum allowable scores for each hole are as follows:

**Par 3s – 5 strokes | Par 4s – 7 strokes | Par 5s – 8 strokes**
